## Separate board fears for program cut-backs

The St. Albert Protestant Separate School Board has expressed fears that it may be forced to make serious cutbacks in the educational program it offers its pupils.

Trustees at the regular monthly meeting were gravely concerned over the amount of monies available to it under the new school Foundation Program and the fact that available funds are further decreased by the limitations which the New School Act sets on supplementary requisitions.

Board Chairman Charles Schroder said Tuesday night that the board had not had time to fully digest the information it had received from the government, but

it would be preparing a full report for presentation to the district's annual meeting in the Sir George Simpson Junior High School on Wednesday, March 11.

He said that the new Foundation Program structure would allow for about 123 or 124 teachers.

"We have 132 now and with the anticipated increase in enrolment, this requirement could jump to 145," he said. "There's quite a wide difference between 125 and 145."

Mr. Schroder said that the new Foundation Program and the New School Act would be fully discussed at the annual meeting along with future planning for the district.

## Ice carnival swings into action Saturday

The St. Albert Figure Skating Club's ice carnival will be held at the Braeside Rink starting at 8 p.m., Saturday, March 7.

And 160 local youngsters have been practicing for weeks to ensure that as entertainment it will be a success.

"They've really worked hard and the best thanks they can be given is that people come out and see them," said Mrs. Shirley Chyzowski, club president.

She said mothers of the skaters had also been putting in long hours sewing costumes, a vital part in the success of any show.

Besides the ice show,

which is called Babes in the Woods and features a variety of skating routines from live trees to Spanish dancers, all performed by local talent, there will be the crowning of the carnival queen, presentations to the teachers who worked with the youngsters all winter, and several draws.

Candidates in the queen contest are Susan Pavelich, Donna Wilson, Debbie Rutledge, Betty Kramps, Alice Bots, Debbie Reinbold, Cindy Reinbold, Susan Jewitt and Heather Tomlinson.

Proceeds from the carnival will go towards furthering activities of the figure skating club in St. Albert.

## Health Unit cost rise upsets Sturgeon council

The Municipal District of Sturgeon council is "deeply concerned over the sharp increase per capita on requisitions from the Sturgeon Health Unit."

A letter from the health unit read to the last meeting of council indicated that the 1970-71 budget estimate is \$256,229.75 and that the per capita rate to contributing municipalities has been set at \$2.75 by the board of health.

The Sturgeon council feels that the \$1 per capita increase over 1969-70 requisitions is too great an increase over a period of one year.

Council directed that a letter be forwarded to the health unit indicating its concern and that copies of the letter also be forwarded to all authorities paying requisitions to the health unit.

## World day of prayer service

World Day of Prayer service will be held in St. Albert on Friday, March 6, at 8 p.m. in Braeside Presbyterian Church.

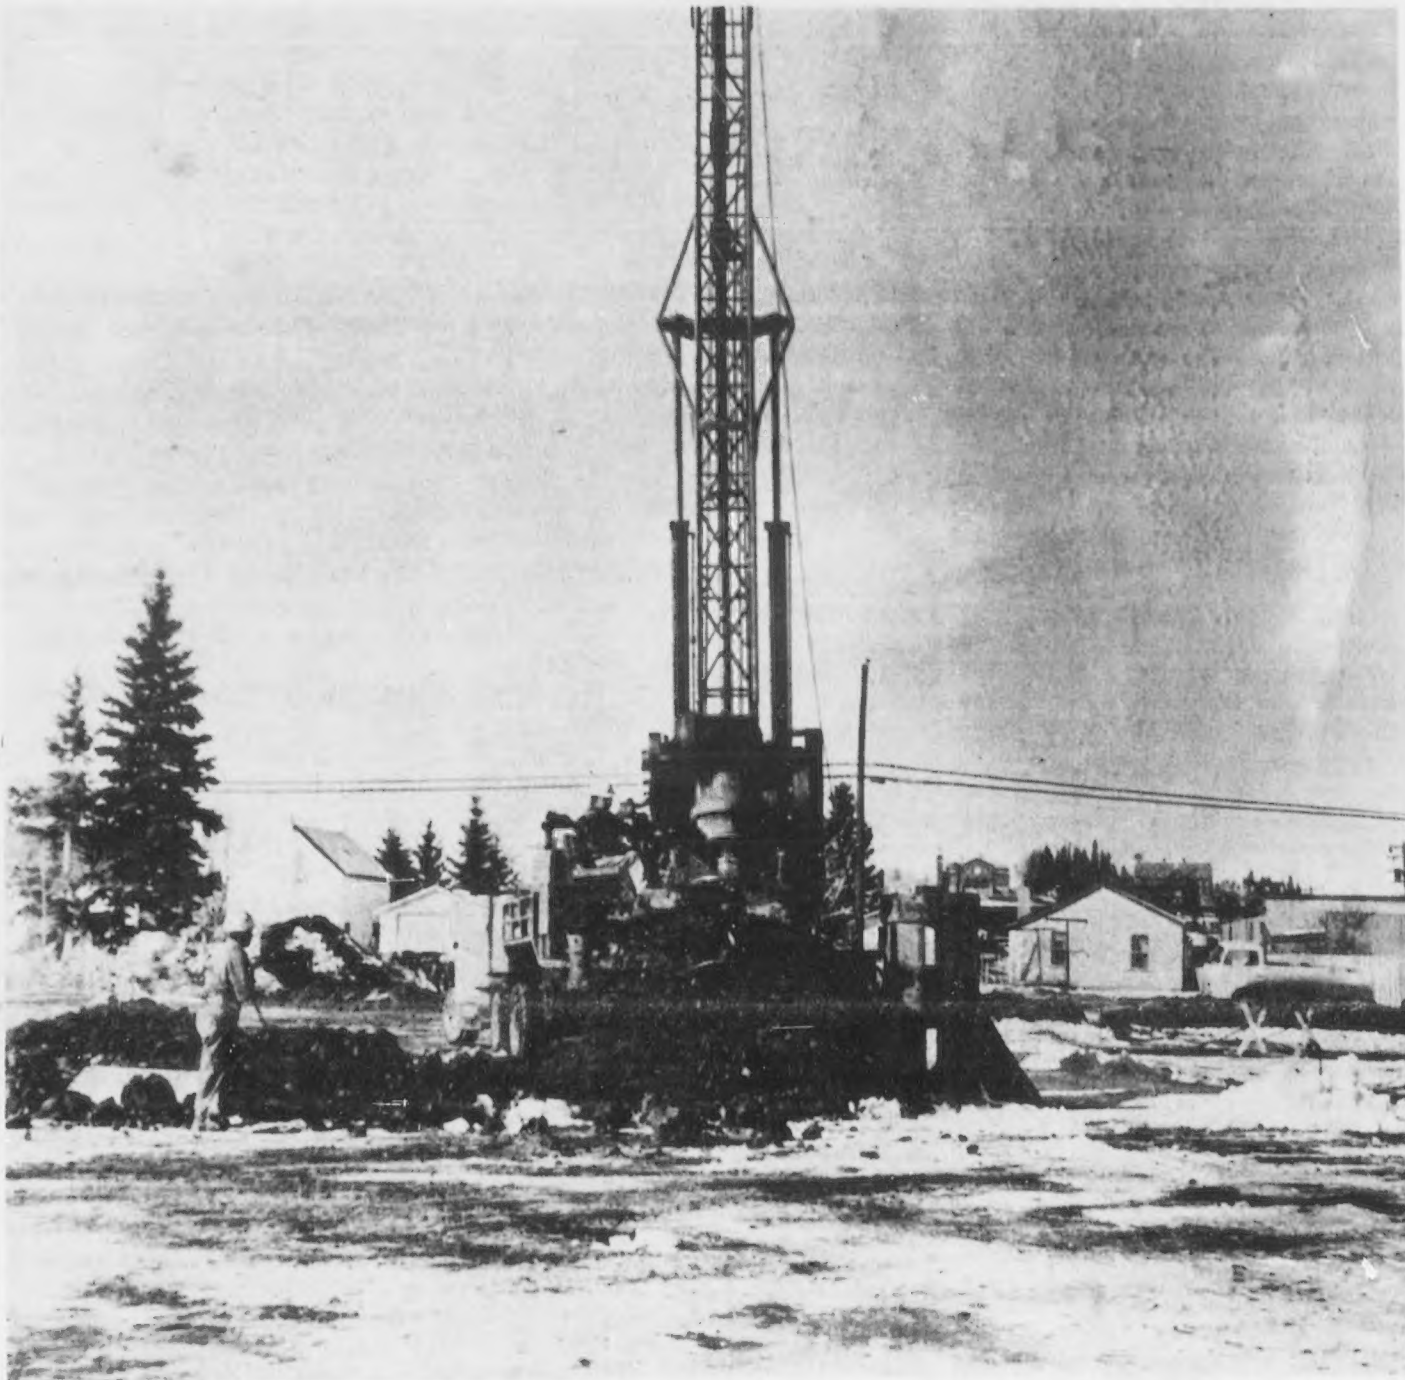

The theme for the service is "Take Courage." Guest speaker for the evening will be John Bockock.

World Day of Prayer be-

gan in Toronto about 1919 with 11 churches participating. Now 140 countries around the world take part each year.

This offers St. Albert an opportunity to join in an ecumenical event.

Coffee will be served following the service.

You better believe it, the St. Albert and District Arena is under construction. This pile driving machine was hard at work this week, preparing the road for

foundation work. The shell will probably be completed by May but much interior work will still remain. For most of it, money will still have to be raised.

## Fish, game dinner set for Friday

The St. Albert and District Fish and Game Association will hold its annual sportsmen's dinner and trophy ball in the St. Albert Community Hall on Friday, March 6.

The evening will begin with refreshments at 6:30, with dinner and awards presentations following at 7:30. There will be dancing from 9 to 1 a.m.

Tickets are \$4.50 a person. For further information phone Claude Valliere at 599-8324.

## 4 nominated as citizen of the year

Four nominations have been received by the St. Albert and District Chamber of Commerce for its Citizen of the Year Award.

Nominations must be in by Wednesday, March 11, and should be handwritten with information given as concisely as possible.

The award will be presented at the chamber's annual dinner meeting on Wednesday, March 18.

The chamber is seeking the help of groups and organizations and citizens at large to find men and women whose achievements as good citizens make them deserving of public recognition.

Entries should be mailed to The Chairman, Citizen of the Year Award, St. Albert and District Chamber of Commerce, Box 263, St. Albert.

## Russell again seeks leadership

Bob Russell of St. Albert has announced in an open letter to Ken Crooks, president of the St. Albert Liberal Provincial Constituency Association, that he will seek the leadership of the Liberal party in Alberta.

And he calls on Mr. Crooks as constituency president, to call a nomination as soon as possible.

Mr. Russell wrote the letter immediately following his return from the Liberal provincial convention in Red Deer last weekend, at which no move was made to fill the leadership vacancy.

Mr. Russell lost out to Jack Lowery of Calgary at the leadership convention held last year. Mr. Lowery resigned in February following open party rebellion at secret talks he had held with Premier Harry Strom.

Mr. Russell, a St. Albert councillor and former school board member made no secret of the fact then that he would be prepared to go after the leadership again.

His letter follows:

I am one of those Liberals who believes that the Liberal Party of Alberta must offer a viable alternative to the Social/Conservative policies that will be offered up to the electorate in the next provincial election.

As a Liberal who is committed to the principal that a political party has the responsibility to place its policies before the electorate through its nominated candidates, I therefore am requesting that you, as the president of the St. Albert Provincial Liberal Association, call a nominating con-

## Mrs. Florence Jordan heads Toastmistresses

Mrs. Florence Jordan was elected interim president of the St. Albert Toastmistresses' Club at its organizational meeting on Thursday, Feb. 26.

Other members of the interim executive are: Mrs. Eldeah Kathol, vice-president; Mrs. Laurie Saunders, secretary; and Mrs. Ros Martel, treasurer.

Twenty-two interested ladies attended the initial meeting in the local library, which was presided over by Mrs. Hilary Duhalke from the Sunwapta Toastmistress Club from Edmonton.

Mrs. Myrtle Costuros of Edmonton, chairman of the council, was also present.

A demonstration meeting will take place in the music room of the Leo Nickerson School at 8 p.m. Wednesday, March 11, and all interested ladies in the district are invited to attend.

FLORENCE JORDAN

The regular meetings will be held every second and fourth Wednesday of each month.

Members are now being accepted and anyone desiring further information can contact Mrs. Jordan at 599-6407.

Three names are being considered for the club, Sturgeon, Les Amies and Mio-we-ko-win.

## Comets lead 3-0

St. Albert Comets took a virtual strangle hold on the Sturgeon River Senior hockey league senior championship Tuesday night by defeating Westlock Eagles 3-1 for their 3rd straight win in the best of 7 finals.

Ray Lemar, Fred Hesse and Dan Vars scored for the Comets. Terry Rimmer scored for Westlock.

Fourth game of the series goes in Westlock Friday night at 8:30 p.m.

## Local dancers to festival

Approximately 35 pupils, 10 merit awards.

of the St. Albert School of Dancing will leave next week for Lethbridge where they will participate in the seventh annual Alberta Dance Festival. Sponsored by the Gyro Club of that city, the festival is held to encourage the dancers of Alberta.

The group is enthusiastic and hopeful of equalling last year's performance. In their first year of competition in the festival, dancers from the local school came away with the Stettler Trophy for the highest mark in group song and dance as well as five first place awards, five seconds, three thirds and

In charge of the group are instructors Mrs. Alma Hughes, Mrs. Gladys Smith and Mrs. Marilyn Myers.

Ages of the dancers range from four to 16. They will take part in the tap, jazz and ballet competitions.

"Competition is very keen," said Mrs. Hughes, "and even the younger children must have quite a bit of experience in order to take part."

The group of 60 parents and children will leave St. Albert March 11 in two chartered buses. The competition takes place March 12 and 14.

# Sturgeon establishes warble control area

The Municipal District of Sturgeon has established a warble control area within its boundaries.

Council gave third reading to the bylaw at its Feb. 13 meeting. Earlier, more than 80 per cent of the cattle owners in the district had signified by petition their willingness to have warble control established.

In its fight against the warble grub, which has been declared a pest under the Agricultural Pest Act because of the great damage it causes to the cattle industry in Alberta, council declared:

1. Milking dairy cows shall be treated from March 1 to May 31 with a Roetone back wash pesticide as registered under the Pest Control Products Act (Canada). Dry dairy cows shall be treated in the same manner unless systematic pesticides have been applied according to directions set out by the manufacturer of the said pesticides.

2. Calves under three months or weighing less than 300 pounds and/or animals under severe stress (malnutrition, disease, calving, etc.) may be exempt from treatment but shall be pro-

perly treated upon reaching the required age, weight or recovery from stress.

3. All other cattle in the municipal district shall be treated annually from Aug. 1 to Nov. 31.

4. All stocker and feeder

cattle brought into the area as breeding, feeding or replacement stock shall be treated as soon as weather and other conditions permit.

5. All cattle shall be treated before entering any designated community past-

ure, private or otherwise, in the area.

Anyone who contravenes the bylaw is liable to summary conviction as set out in Section 25 of the Agricultural Pests Act 1960 and/or the Municipal Government Act 1968, sections 113, 114 and 157 and Chapter 75, 1969, section 22, being an amendment to the act.

vention in our constituency just as soon as possible. Please accept this letter as your official notice that I intend to stand for that nomination.

I am not prepared to see the Liberal party of Alberta continue to abdicate our rightful role as spokesmen for the people who want reform. . . not reform just for the sake of change. . . but change for reforms that will bring a better way of life to all Albertans.

With the help of the Liberals in our constituency, I know that we can rebuild an organization that can win a seat in the next legislature, and since no one else in our provincial party has taken the lead to either form provincial policy or to field candidates, I will take every opportunity to encourage Liberals across Alberta to follow my lead in seeking an early nomination.

I will assist and encourage those candidates in organizing their constituencies and in forming their own policy groups from the people in their areas, and it is from these concerned Albertans that we will develop the Liberal platform for the next provincial election.

The old system used by the Liberal establishment in Alberta, of sitting in their ivory-towers and discussing policy, is as ancient as it is unsuccessful. We will get out among the people and find out what the real problems are, and provide some ideas and policies based on Liberal principles. This is the only route now open to this party.

I am most grateful for all the support and assistance I received from the Liberals and citizens in the St. Albert constituency during the last provincial election when we came so close to winning.

ROBERT RUSSELL

I believe that by having an early nomination and working hard for what we believe in, we can not only win a seat in the Legislature but our constituency can lead the way for so many others who believe that we must provide the people of Alberta with some other choice than this special brand of conservatism that the Social Credit and Tory parties offer up to the people.

I look forward to hearing from you soon.

R. A. Russell.

# Report from the Legislature

By Keith Everitt, MLA

One of the main objections to vehicle inspection was that too much emphasis was put on the condition of the vehicle and not near enough on the driver. This past week Highways and Transportation Minister Gordon Taylor introduced a demerit point system schedule and I suggest that all of us as drivers better sit up and take notice. The public of this province are demanding (or requesting) greater enforcement of traffic laws with greater penalties for offences com-

mitted. Below is a list of offences with the number of demerit points for each violation.

Failing to remain at the scene of an accident - 7 points.

Speeding - exceeding limit by more than 30 mph - 6.

Careless driving - 6.

Racing - 6.

Bus, taxi, school bus or vehicle carrying explosives, gas or flammable liquids - Failing to stop at a railway crossing - 5.

Failing to stop for a peace officer - 5.

Speeding - unreasonable rate - 4.

Speeding - exceeding limit by over 20 but not more than 30 mph - 4.

Following too closely - 4.

Failing to stop for a school bus - 4.

Failing to report an accident - 3.

Speeding - exceeding limit by over 10 but not more than 20 mph - 3.

Improper passing - 3.

Driving on wrong side of road - 3.

Driving wrong way on one-way highway - 3.

Impeding passing vehicle - 3.

Failing to yield right of way to a vehicle - 3.

Failing to yield right of way to a pedestrian - 3.

Failing to stop as directed by a traffic control device or as otherwise required - 3.

Proceeding when unsafe or unlawful after stopping - 3.

Stunting - 3.

Speeding - exceeding limit by up to 10 mph - 2.

Traffic lane violation - 2.

Impeding traffic by driving too slowly - 2.

Failing to signal - 2.

Improper turns - 2.

Improper backing up - 2.

Under the regulations every driver will start out with a clean record on April 1. Demerit points will apply if the violation occurs anywhere in Canada or the United States.

When 15 or more demerit points have accumulated on the record of a person, the operator's licence shall be suspended for a period of one month. The second suspension within a year will be for a period of three months.

Although the operator's licence is suspended for only one month after the first 15 demerits, it is very important to note that after the one month of suspension the driver may go back on the road but he starts again with 8 demerit points. In other words, the one month's suspension does not erase all 15 points.

The Alberta Liquor Control Board has just issued its annual report for 1969. The following may be of interest to the St. Albert residents. Liquor sold amounted to \$436,877, beer - \$173,005, with net profit to the government of \$198,222.

The above mentioned board has just recently announced their intention to build premises and bring

their services to the Village of Legal this year.

Two very important reports should be tabled within a week. First and of course most important will be the report from the Legislative

Committee on Assessment and Taxation. This is of major concern to all citizens in this province. The other report is on automobile insurance and should be tabled within two or three days.

## Dancers entertain

Residents of the Youville Home enjoyed a group of old-time dancers sponsored by the Canadian Native Society of Edmonton on Sunday afternoon.

C. Phillips was master of ceremonies and music was supplied by Patrick Calliou and his Toe-Tappers.

They danced traditional old-time dances, the eight-hand reel, the duck dance

and several squares. Waltzes were also played and a few residents of the home participated in them.

Following the dancing, lunch was served by the sisters.

Residents of the home expressed a hearty thank you to all who participated and especially to W. Cunningham, who initiated the performance.

## INGLEWOOD BUSINESS ASSOCIATION

# Education week observed

This is education week and elementary and junior high schools in St. Albert are making the occasion by setting aside time for visits from parents who will be able to view special programs and educational displays. Open house schedules are as follows:

Sir Alexander Mackenzie School will hold open house Friday afternoon. Parents will have the opportunity to visit classrooms between 11:10 and 3 o'clock and the afternoon will conclude with

a basketball game between students and staff. A special newsletter has gone out to all parents outlining the year's activities at the school.

Leo Nickerson Elementary School will be open to the public from 7 to 8:30 Thursday evening. A number of activities including demonstrations of gymnastics, floor hockey, french lessons and remedial reading lessons have been planned. A Grade 2 class will present a puppet show and students'

work in science, art and music will be displayed. Audio visual equipment and library facilities will also be on view.

Sir George Simpson Elementary School planned to hold an educational open house this morning, with parents free to observe regular classes in progress. Special presentations by gym classes and music classes were also planned.

Sir George Simpson Junior High School will be holding open house Thursday

evening from 7 to 9 o'clock. Physical education and glee club presentations have been arranged. Parents will also have an opportunity of view-

ing science experiments being undertaken by students. Albert Lacombe School, in the process of planning expansion, will not hold open

house at this time but it has been announced that parent-teacher interviews will be arranged within the next two weeks.

# National health week

March 8 - 14  
"Prevent Sickness-Promote Health-Prolong Life"

Mayor Gibbon has proclaimed the week of March 8 to 14 as National Health Week, Canada's 26th annual, in St. Albert.

What is health? The definition as set forth in the Constitution of the World Health Organization is "Health is a state of complete physical, mental and social well being and not merely the absence of disease or infirmity."

Most of us take for granted our good health. We are only aware of its value when sickness or accident threatens. But health is something we must cherish always. Every individual ought to assume

responsibility for maintaining his own health and that of his family at the highest level. To do so effectively one must be informed as to habits which are detrimental and those which are conducive to healthy living.

Health education must provide this information and therefore continuous and vigorous and instructive programs must be carried on for the benefit of all—in the homes, in schools, in churches, in factories, in service clubs, in men's and women's organizations and indeed in all society.

There are many problems which must still be solved. Heart disease, cancer, arthritis, mental illness, cigarette smoking and lung cancer, drug addiction and alcohol-

ism, gerontology and preparation for old age, adequate housing, pollution and many others. The average citizen can preserve his own health and that of his family by observing the simple rules of health — a nourishing diet, sufficient exercise, rest and recreation — medical and dental check-ups — and by knowing the value of good health and how to keep it!

The Health League of Canada is promoting National Health Week — the greatest health campaign in this and any other country — for the twenty-sixth year — March 8 - 14, 1970 inclusive. We invite all organizations and YOU as an individual to participate in this crusade

## Folder promotes Morinville

Board of Trade President Roger Blackburn presented a glossy eight-page folder about Morinville to the March meeting.

Approved by town council and the Board of Trade executive, the cost of the pamphlet was borne by the Board of Trade.

Town council and the Board of Trade will co-host the annual meeting of the Edmonton Area Industrial Development Association. Mayor Arthur Stapleton will preside at the luncheon meeting.

The 1970 executive of the Board of Trade: President, Roger Blackburn; Vice-president, Henry Ransau; Secretary-treasurer, Alphonse Nobert; directors, Gordon Kremer, Harry White, Tom Houle and Albert Quallette. Delegate to the EADA Mrs. Rose Martel.

## RECREATION Hi-Lites

### GOLF SCHOOL

Those who pre-registered for the golf school which will start on March 18 in St. Albert High School are reminded that the registration fees (\$5 for adults and \$1 for students) must be received at the Town Hall not later than March 11. There are still a few openings in the third class which will be held if there are enough registrations. For information about the six-week course, please phone the department of recreation at 599-6601.

### BOYS' SOCCER

Registration for the boys' soccer program sponsored by the Hercules Sports Association will be held in the Clubhouse on Saturday,

March 7 from 10 a.m. - 12 noon and on Wednesday, March 11 from 7 - 9 p.m.

Registration forms are being distributed through the courtesy of the schools or can be picked up at the department of recreation in the Town Hall.

### YMCA

Adults interested in getting out of the winter doldrums should attend either the men's keep fit class which is held on Wednesday's in Sir Alexander Mackenzie School from 7-9 p.m. or the Ladies Swedish Gym class held in Leo Nickerson School on Thursdays from 8 - 9 p.m.

Winter recreational activities are drawing to a close after a busy season in all

areas and the spring and summer programs are still in the planning stages. Newcomers are invited to enquire about spring and summer activities and they may do so by calling at the department of recreation in the Town Hall or by phoning 599-6601.

## Around Town

St. Albert Kinsmen, sponsors of the Skate-A-Thon held here Feb. 22, wish to remind all those who skated to pick up their pledges as quickly as possible. Returns have been coming into the Bank of Nova Scotia but there is still a lot outstanding.

The Women's Institute held its February meeting at the home of Mrs. Agnes Richardson, with 26 members and 11 guests present.

As an Education Week project, the students and teachers at Father Jan School are presenting a concerted effort to display various aspects of school life on video tape. A program of scheduled events is being prepared

whereby different classes will be filmed throughout Friday, March 6, and parents and students will be able to see themselves on television.

One of the highlights of the day will be a room mass at one o'clock for the students and parents of Grade 3 followed by a tea for all

parents. Other events include student skits, gymnastics, science projects and music and art classes in action.

Woman driver to cop arresting her: "But officer, I couldn't slow down while you were going so fast right in back of me!"

Mrs. Marilyn Hensing gave a demonstration on the buying and care of new fabrics.

Plans are being made for the fashion show which will be held at 8 p.m. Friday, March 13, in the Father Jan School auditorium.

# MINOR HOCKEY ROUNDUP

## Co-op wins bantam puck championship

Co-op won the St. Albert Kinsmen Minor Hockey Association championship in straight games, defeating Stedelbauer 3-0 in the final game at Sturgeon rink Saturday.

Co-op took out Black Hawks 5-3 and 6-2 before opening the best-of-three final with Stedelbauer with a 5-2 win.

Stedelbauer had fought its

way into the final with 3-2 and 4-0 wins over Safeway.

Co-op had finished on top of the four-team league at the close of the regular schedule. Stedelbauer was second, Black Hawks third and Safeway last.

The final game between Co-op and Stedelbauer was closer than the score indicated as it was a scoreless tie after two periods. The

third period, however, was all Co-op, Dennis Boudreau, Doug Walin and Guy Hill handling the scoring.

Co-op hadn't taken as long to pull away in the opening game, leading 1-0 after the first period and increasing the margin to 4-2 by the end of the second.

Doug Reinbold, Brian McBroom, Boudreau, Roger Meunier and Jim Walin

scored for Co-op in this one. Doug McKenzie and Randy Reinbold replied for Stedelbauer.

Co-op was coached by Reg Kitch and Stedelbauer by Bob Lister.

Boudreau, the leading scorer in the playoffs, counted two goals in Co-op's 5-3 win over Black Hawks. Doug Reinbold also got two and Jim Walin got the other

one.

Raymond Bolsvert, Richard Vallee and Steve Hoffart scored for Black Hawks.

Boudreau and Reinbold each got another pair in the 6-2 win and D. Grice and Meunier each got one. Terry Kieser and John Koch scored for Black Hawks who were coached by Randy Soucie and Doug Turkington.

Cyril Binette, Matt Lister

and Doug McKenzie provided the offensive thrust as Stedelbauer downed Safeway 3-2 in the opening game of their semi-final. John Burrows and Matt Gibbon replied for Safeway.

Lister scored two goals and McKenzie and Alex Jensen each one in the second-game 4-0 victory.

Safeway was coached by Jack Horner.

## Red Wings repeat peewee champions

Twelve-year-old Glenn Weiss may never be considered as National Hockey League timber as a goal-keeper, but on Sunday afternoon at Mission rink he handled the job about as well as any peewee player ever did.

And his performance gave the Red Wings from Grandin Park their second straight peewee championship; something that was far from unexpected as most of their top talent from Randy Soucie's 1968-69 team returned this season.

Red Wings defeated Fire Department 4-3 in the final playoff game with a goal in the last minute of play, Gary Ferguson getting enough of his stick on the puck through a maze of legs in front of the Fire Department net to push it across the goal-line.

Ferguson, Red Wings top scorer, counted three goals for the afternoon, his first points of the season against Fire Department. Scott Ratchinsky got the other.

But the day belonged to Weiss. He had little chance on the goals that beat him. David Kieser scored while he was flat on the ice after blocking an earlier drive; Sandy Millroy scored from a scramble and Greg Pudlowski deflected a shot from the point.

But he beat Pudlowski twice on breakaways and Blake Millroy once, the latter coming with three minutes to play. On scrambles around the net he bounded into the fray to grab loose pucks, snuffing the threat.

Lady luck also seemed to be riding on his shoulder as once, sprawled on the ice, he found himself at Pudlowski's mercy. The Fire Department right winger's backhand cleared the top of the net by two inches.

Fire Department had won the first game of the series 4-0 Friday but Red Wings squared the count with a 3-2 win Saturday, scoring two unanswered goals in the third period to pull in front.

TWELVE-YEAR-OLD GLENN WEISS  
...has his hour of glory

### 15TH STRAIGHT VICTORY

Chris Hoffart, Matthew Cassidy, Chris Krupa and Sandy Millroy scored for Fire Department in the 4-0 win. It was the team's 15th straight victory of the season and third straight over Red Wings, all gained more by good fortune than good management. Saturday the law of averages were to take their toll.

Weiss was in top form Saturday also, holding Fire Department to a 2-1 lead over the first two periods. Red Wings struck for two fast goals in the third to take the lead and Weiss made sure it didn't change.

John Wells, Gary Muzichuk and Jack Bendera scored for Red Wings. Hoffart and Sandy Millroy counted the Fire Department goals.

Coach Ray Rix emerged with a championship in his first year with Red Wings. For coach Doug Millroy of Fire Department, it was the first appearance in the league final in six years with

the team.

In the semi-finals, Red Wings took out Lions in straight games, 8-0 and 5-1, and Fire Department eliminated Dick's Plumbing, 5-4 and 5-2.

Wells, with three goals, Ferguson and Muzichuk each with two, and Roddy Gouchey scored for Red Wings in their 8-0 win. Gouchey got two and Wells, Muzichuk and James Fraser each one in the 5-1 victory. Johnny Lancaster scored for Lions.

Pudlowski, Cassidy, Glen McRae, Sandy Millroy and Blake Millroy scored for Fire Department in their opening win over Dick's. Gary Bruens, with two, Lloyd Olson and Gary Nugent scored for Dick's.

In the second game, Sandy Millroy collected three goals and Dennis LaFleur and Pudlowski got the others. Olson and Bob Longpre scored for Dick's.

Lions were coached by Larry Mitchell and Dick's by Roger Montpetit.

## Warriors win championship

Rick Walin's third-period goal proved to be the winner Sunday afternoon as Dick's Warriors defeated Totems 2-1 to win the St. Albert Kinsmen Minor Hockey Association mite championship.

Walin picked up his goal after taking a pass from Dan Bishop. Earlier Daryl Belward had scored for Warriors on a pass from Ian Grant.

Murray Riddell scored for Totems in the second period, taking a pass from Darrell Ness.

Warriors had won the first game of the best-of-three series 6-2, Rick Walin and Gary Walin each getting two goals and Grant and Belward the others.

Darrell Liptak got both goals for Totems.

In the semi-finals, the surprising Tompkins Nuggets took Warriors the full three games, winning the first 3-2 before bowing 3-2 and 2-0.

G. Young scored in over-

time to give Nuggets their 3-2 win over Warriors. G. Brown got the first two goals and Ian Grant got both counters for Warriors.

Rick Walin, Gary Walin and Dan Walin scored for Dicks in their 3-2 win. Young got both goals for Nuggets.

The Walins each scored once in the final 2-0 win.

Ron Sanders scored four goals in the KCs opening 6-2 win over Totems. Doug Bendera and Don Ouellette got the others. Liptak got both Totem goals.

Liptak took over the show in the second game, collecting three goals and an assist as Totems won 4-0. Riddell got the other one.

In the final, Totems took a 1-0 lead on a goal by David Shipanoff, but Sanders and Ouellette came back in the second to give KCs a 2-1 edge. Shipanoff struck again in the third and Liptak continued his heavy sniping to pull out the win.

## Wildcats advance on playoff trail

unanswered goals in the third to give Wildcats the win.

Edson took a 1-0 lead in the first period Sunday, but Wildcats came back in the second to take the lead 3-2. They never gave up the lead again in the game and were never again in danger in the series.

Raymond Gauthier, with two goals, Bellerose, Thompson and Jan Jensen scored for Wildcats.

The series started on a quiet note Saturday, with only five penalties in the game, Wildcats collecting only one.

Sunday, however, things were much busier. There were 32 penalties in all, with Wildcats getting 15 of them, including a major to Jensen for his tangle with Ron Coulombe and a misconduct to Gerald Longpre for entering the referee's circle at the penalty box.

Wildcats' next opposition will come from Fort Saskatchewan.

St. Albert Wildcats Midget Hockey Team took a big step along the provincial playoff trail at the weekend, defeating Edson 3-1 and 5-3 to win the total-goal series 8-4.

The games were played at Edson Saturday and Sunday. Earlier in the season Wildcats had travelled to Edson for an exhibition game and they lost that one 6-1.

Wildcats were slow to get rolling in both weekend games. Saturday the score was 1-0 Edson after two periods but Raymond Poulin, Gordie Bellerose and Mark Thompson rapped in

## Colts shaver champs

Colts defeated Panthers in two straight games, 6-3 and 4-3, to win the St. Albert Kinsmen Minor Hockey Association shaver league championship.

Todd Thurston got two goals for the winners in the final game and Kevin Jackson and Mike Sandomirsky got the others.

Jamie Sander, Bill Sinclair and Breen Neeser scored for Panthers.

In the opening game, Sandomirsky rattled in four goals and Chris Odinga and Thurston each scored one. Sinclair, with two, and Neeser scored for Panthers.

In the semi-finals Colts beat KCs 4-1 (Odinga, Thurston, Sandomirsky and Kevin Jackson scoring for Colts and Tim Shipanoff for the KCs) and 3-1 (Thurston getting all three Colt goals and Shipanoff replying for KCs).

Neeser got two goals as Panthers defeated the Bears 2-1 in 28 minutes of overtime in their second and final semi-final game. Jim Rae scored for Bears.

In the opening game Sander and Neeser handled the scoring in the 2-0 win.

# St. Albert Comets score in overtime to lead final 2-0

When the goodness man is riding on your shoulder, mister, you can't do anything wrong.

Just ask St. Albert Comets. They're believers. After the events of the past couple of weeks, they have to be.

The crippled Comets defeated Westlock Eagles 10-9 in two overtime periods in Westlock on Sunday night to take a 2-0 lead in their best-of-seven Sturgeon River Senior Hockey League final playoff.

## Comets concede

St. Albert Comets were forced to throw in the towel in the second game of their provincial playoff with Barrhead Chiefs Saturday when they could only ice six players.

"We had to concede," team manager Jake Vaugeois said Tuesday.

"Some of the fellows couldn't make the trip and Bill Good, Dennis L'Hirondelle (defenceman) and Lou Martineau are ineligible because they weren't signed in time for provincials. We just didn't have enough people."

Comets, who have had only 11 players dressed all through the Sturgeon River Senior Hockey League playoffs, tied Chiefs 3-3 in the opening game of the two-game total-goal series in Morinville Arena last Wednesday.

Chiefs are also in the SRSHL but missed the league playoffs.

Comets, basically surprise winners over Spruce Grove Mercuries in the semi-final because of their ill health, were even greater underdogs going into the final against the rough-and-tough Eagles.

Dressing all bodies available to them, which only meant 10 in the 5-4 opening win Friday and 11 Sunday, Comets have found things going their way when they needed it most. Sunday was a classic example.

Trailing 2-1 after the first period and 6-4 entering the third, Comets' line of Dan Vars, Joe Cassidy and Fred Hesse suddenly caught fire, Vars firing two goals and Cassidy another on one shift.

The period ended 8-8 and set the stage for another set of heroics, this time by Hesse. He counted Comets' lone goal in the first overtime to keep the game tied 9-9 and at the 3:56 mark of sudden-death overtime, calmly rifled home the winner unassisted.

It was a nightmare for the goaltenders. Rene Brodeur in the Comets' net survived it but Wayne Stolen, who started for Westlock, left in the third after being shell-shocked by Comets' three-goal outburst. Paul Provençal, the other part of the duo that won league goaltending honors, took over.

Another piece of good fortune that doesn't too often strike, settled on Comets twice in the early going. Dan Roberge and Richie Perrault both scored while Comets were playing a man short.

Vars collected four goals for the night's work, Roberge and Hesse each had two and Cassidy and Perrault one each.

Gary Hutnan and Wayne Rimmer each scored three goals for Eagles and Terry Rimmer, Bob Brown and L. Nesterovich each had one.

Comets held the lead pretty well all the way in the opening game, leading 2-1 after the first period and 5-3 after the second.

Hesse got three goals in that one and Vars and Roberge one each. Rich McGlone scored twice for Westlock and Terry Rimmer and Brown got the others.

Between 600 and 700 fans, about one-third of them from St. Albert, have taken in each of the first two games of the final.

Comets, who have been missing 10 players, had defenceman Ron Yanosik back in the lineup Sunday. He has been out with a shoulder injury. Lou Martineau returned to action Friday.

DAN VARS

DAN ROBERGE

## A pair of Dan(dy)s

Dan Vars scored four goals and Dan Roberge two in Comets' 10-9 win over Westlock on Sunday. Two of Vars' goals came on one shift and put Comets into the lead for the first time in the game and one of Roberge's came while Comets were playing shorthanded.

## Mite hockey tourney set

A mite hockey tournament will be held on Saturday and Sunday, March 21 and 22, in Stony Plain Arena.

Entry fee is \$2 and area teams have been asked to submit applications to participate.

Any team in St. Albert that would like to enter and would like the services of two mite-aged players who played regularly as peewees this year can phone 599-7860.

St. Albert High School didn't come away empty from the North Central Zone basketball championships at Salisbury on the weekend even though its girls' team, representing the Western Conference, lost out in its opening game. The St. Albert High cheerleading team was judged the best at the tournament. From left are Lorraine Wakefield, Karen Donais, Suzanne Lockhart, Veronica Wall, Dianne LeBlanc, Debbie Evans, Lucy Tetreau and Leonie Gibeau.

## St. Albert High girls fade in hoop battles

After a very successful season, St. Albert High School Girls Basketball Team came to an unhappy ending, by losing the North Central Zone Championship to Salisbury, by a score of 26-13.

Points collected for the basketball season are:  
Girls Team: Madeline Ra-

boud 67, Judy Bischler 56, Elaine Gravelle 27, Rhoda Lamoreaux 25, Kathy Byrne 21, Barb Faryna 18, Vivianne Ethier 15, Roberta Parsons 11, Michele Raboud 9, Sandra Soucie 2.

Boys Team:

Alan Bokenfohr 40, Todd Cassidy 38, Anders Udsen 34, Richard Hauptman 20, Don Kennedy 12, Andy Blachini 4, Mike Lyndon 2.

One happy event for St. Albert High School was the winning of the trophy for having the best cheerleading team. St. Albert High and Paul Kane were tied but after a second run, St. Albert High put more "oomph" into it and went on to win.

## Local swimmers on top team

Three St. Albert youths, Bill Clark and Dale and Darryl Cameron were members of the Jasper Place Swim Club which took top team honors at a meet held at Winnipeg's Pan-Am Pool this past weekend. More than 300 swimmers competed in the various events of the Manitoba Centennial Meet sponsored by the Cardinal Swim Club of Winnipeg.

The boys who are all students, average 13 hours a week practice. When you add travelling time to and from Edmonton plus a full day's school work, it adds up to a pretty hectic schedule. Weekday mornings they're up at five o'clock in order to get in practice time before school. They also have evening and weekend sessions.

The team which participates in approximately 30 meets a year, is coached by Ted Thomas, coach of the Canadian Women's Olympic team in Mexico.

Woman: "Are you the young man who risked his life to save my son from drowning when he fell through the ice?"

Man: "Yes, ma'am."  
Woman: "Well, what did you do with his mittens?"

## Bruins face heavy sacer schedule

St. Albert Bruins face a heavy schedule in the Edmonton District Football Association's Winter Soccer League over the next few days.

Bruins play Ital Canadians at 8:30 in the Kinsmen Field House tonight and Ritchie Canadians there at 3 p.m. Saturday and the University of Alberta Golden Bears at 2 p.m. Sunday.

After that, however, the team doesn't play again until April 5.

In recent games Bruins lost 2-1 to Edmonton Rangers and tied Strathearn Rovers 0-0, putting their record at two wins, a tie and five losses.
